GOLF, SIGHTSEEING, TRANQUILITY AND ADVENTURE

Visit the heart of Switzerland where the Swiss confederation got founded back in 1291. It is hard to describe the beauty of this magic place with words. It's lakes and mountains are best experienced on-site. Play golf with great views of Lake Lucerne and the surrounding Alps.

Golf Courses

Both golf courses are picturesque beyond imagination. They are set amidst lovely pastures, neighboring small orchards with their typical farmhouses and offer great views of Lake Lucerne, Mt. Rigi, Mt. Pilatus and plenty of other alpine peaks. And Meggen is Switzerland's best 9 hole golf course offering stunning views.

Hotels

Depending on your budget and required level of comfort you have a choice ranging from typical, small and cosy 3* hotels to luxurious 5* palaces.

Attractions

Ride on top of one of the world's most famous mountains by cog wheel train and descend back to Lake Lucerne by cable car: The Mt. Rigi. Build your own, original and personalized Swiss Army Knife.
