## WATCHMAKING, GOLF AND SIGHTSEEING

This one is a must for lovers of luxurious Swiss watches! Travel to the heart of Swiss watch making, where many of the worlds most prestigious manufacturers have their headquarters. Visit watch manufactures and museums. Build your own mechanical Swiss watch, and take it home as your truly unique timepiece (extra charge) . Of course you will play some fantastic, mostly unknown golf courses at the heart of the Watch Valley.

### Golf Courses

Play 4 excellent golf courses which are nestled in the beautiful Jura landscape.

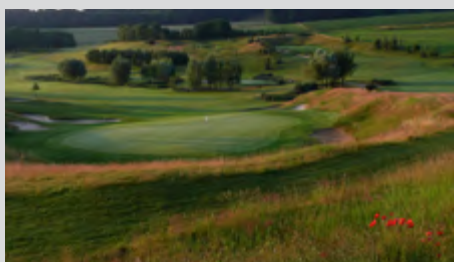

### Hotels

Depending on your budget and required level of comfort you have a choice ranging from typical, small and cosy 3\* hotels to luxurious 5\* palaces.

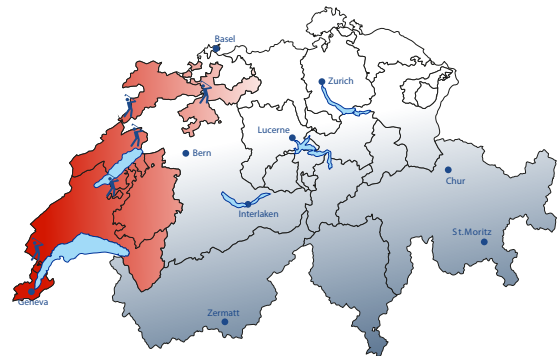

### Attractions

Build your own personalized watch like nobody else's in a typical workshop under the supervision of a senior watchmaker. <sup>1)</sup>
